# REVIVING TRADITIONAL CRAFTS

AKTC has been carrying out conservation works using traditional building and conservation methods in the Humayun's Tomb, Sundar Nursery and Hazrat Nizamuddin Basti since 2007. Under the Skill Enhancement Training program, 9 craftsmen from the basti were trained in the manufacture of hand-crafted tiles which will be used during the conservation works at Humayun's Tomb and other Mughal structures. The training of these craftsmen will help revive a rare and forgotten art of tile making.
